JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

and shall be kept free from effluvia arising from sewer, drain, water-closet, or other source within the control of the owner, manager, agent, or other person in charge.

RULE 2. *Bedding, sheets, and towels.*—The proprietor or manager of every hotel and rooming house in this State shall furnish each guest with clean individual towels. All public lavatories and wash rooms of any hotel or rooming house must be supplied with clean individual towels. All beds, bunks, or cots to be occupied by guests must be supplied with clean comforts, pillowslips, and sheets. Sheets must be of sufficient length and width to cover completely the mattresses and springs. Sheets and pillowslips after being used by one guest must be washed, ironed, or mangled, and dried before being furnished to another. All beds must be kept free from vermin.

RULE 3. Owners, keepers, and managers of hotels and rooming houses must provide fire escapes and fireproof stairways for persons occupying rooms above the second story as required by law.

State Institutions—Reports to State Board of Health—Communicable Diseases. (Reg. Bd. of H., Feb. 7, 1916.)

REG. 72. *State institutions.*—**RULE 1.** The regular physician of every State institution where men, women, or children are kept at the expense of the State, as children of industrial schools, dependent children, inmates of institutions for the insane or feeble-minded persons, and inmates of penal institutions, must report annually to the State board of health such information as may be required.

RULE 2. When any communicable disease appears in any State institution, the patient or patients must be properly isolated, and, if necessary, removed from the institution to a place of safety, where they shall have proper medical attention and care until they may be safely returned.

Barbers and Barber Schools—Regulation. (Reg. Bd. of H., Feb. 7, 1916.)

REG. 74. *Sanitary rules concerning barbers and barber trade.*—**RULE 1.** The proprietor or manager of every barber shop, barber school, or barber college must file immediately with the secretary of the Colorado State Board of Examiners of Barbers the name and residence of each and every apprentice therein, stating age and date of admission.

RULE 2. Every barber shop, barber school, or barber college must be provided with one or more licensed barbers to give instruction when needed.

RULE 3. All barber shops, barber schools, or barber colleges, when situated so that they can obtain running water from the city water mains, must have running water, hot and cold, in their places of business. Waste water must be drained through pipes into a sewer or cesspool, as provided by ordinance of the city or town.

RULE 4. All shaving mugs and lather brushes must be thoroughly cleansed with hot water before using. Hair brushes, combs, aprons, neck dusters, and strops must be kept clean at all times. The use of powder puffs, finger bowls, sponges, styptic pencils, or alum in lump is prohibited. All astringents used for controlling bleeding, or for other purposes, must be used in powdered or liquid form.

RULE 5. Any person conducting a barber business must supply each and every patron with a fresh, clean towel, both hot and cold, where hot towels are used. No towels shall be used the second time without being boiled and laundered. All cuspidors must be cleansed with boiling water at least once in 24 hours, and a small quantity of fresh water left in them.
